On July 2, 1993, Big Rivers Electric Corporation ("Big Rivers") applied for Commission approval of certain amendments to its contracts with City of Henderson, Kentucky and the City of Henderson Utility Commission.

KRS 278.300, among several other statutes, requires Commission approval of these amendments. It further requires that the Commission act upon this application within 60 days unless it is necessary for good cause to continue the application for a longer time.

For the reasons stated in the Commission's Order of July 30, 1993, the Commission finds that good cause exists to continue this application beyond the statutory 60-day period.

IT IS HEREBY ORDERED that Big Rivers' application is continued generally.
